

Register Today!!!!

The Procurement Office encourages all contractors and suppliers to **Register** with the Procurement Office now.

Registration ensures that whenever a procurement opportunity has been published an email is sent directly to you notifying you of the opportunity. With an annual fee of only EC\$150.00, it also allows for your inclusion in Direct, Sole Source and Emergency procurement opportunities. **Don't miss out on an opportunity because you haven't heard the news or read the newspaper.** Come up to the Procurement Office at the Ministry of Finance or email Procurement.Mailbox@gov.ai for a registration form and **Register Now!**
