The below Query/Clarification Request Query #7 for the Provision of GOA Group Health & Life Insurance - Procurement #: 2022/MOF/MOF/01 has been received:

Q7:

Please note that after further review of all previous information submitted, a few questions or clarifications are still required. Kindly note below. Kindly share these with the procurement office for responses.

1. While we have received the claims experience for the relevant years, the claims and premiums for health and life have been lumped together. Can we get a split of the health separate from the life for both premiums and claims? Can we also have a breakdown of the health to show medical, dental and vision for each year?
2. From the information provided, there are 231 retirees but the census list does not identify the retirees. Can the retirees be identified in the census? Is it possible for the census data to also show the date of employment?
3. While we gather that the policy year runs from July 1<sup>st</sup> to June 30<sup>th</sup>, the claims experience information indicated a span from January 2019 to February 2022 (calendar year). Can we get the claims experience data from July 1<sup>st</sup> of each policy year provided? That is July 1<sup>st</sup> 2017 to June 30<sup>th</sup> 2018, July 1<sup>st</sup> 2018 to June 30<sup>th</sup> 2019, July 1<sup>st</sup> 2019 to June 30<sup>th</sup> 2020, July 1<sup>st</sup> 2020 to June 30<sup>th</sup> 2021, July 1<sup>st</sup> 2021 to February 2022?
